HERE FOR YOU

Breathe

PART OF **LIXIL**

A close-up, low-angle shot of a woman with dark hair and closed eyes, lying back in a bathtub. She is surrounded by thick, white, bubbly foam. A rolled-up, light-colored towel is tucked behind her head. The background is softly blurred, showing a warm, ambient light source. A semi-transparent grey box containing text is positioned in the upper right corner of the image.

Cobra Breathe combines sleek, modern design with state-of-the-art water saving technology, giving you that moment to 'breathe'. If ever there was a faucet that could be comparable to a high-end spa experience, then this would be it. The elegant design is a breath of fresh air.
