Recess

PART OF **LIXIL**

A close-up photograph of a person's hands being washed under a stream of water from a modern, curved chrome faucet. The person is wearing a blue denim shirt. The background is softly blurred, showing a kitchen setting with various bottles and green plants. A semi-transparent grey box containing text is positioned in the upper right corner of the image.

With a luxurious spout and sleek handle, the design lines of the Recess range are both contemporary and classic. With FeatherTouch technology and water saving properties, this premium range allows you to take a break from the mundane and is the ideal choice for the modern home. A unique offering of this range is the ultra-modern wall mounted basin mixer.
