

Cobra Seine Brushed Nickel Bath Filler

Range:	Seine Brushed Nickel
Description:	Bath filler with overflow and anti-back siphonage, brushed nickel. Includes: 1/2" female left/right inlets, exposed and concealed parts. For installation, left/right inlets may be used. Care & Maintenance - Ensure your product does not come into contact with any lubricants during installation. Chrome plated, matte black and any colour finishes should be wipped with warm soapy water and a soft cloth or sponge. Rinse, then dry and buff with a dry soft cloth. Under no circumstances must any detergents containing hydrochloric acids or abrasives including cream cleansers be used. Do not use abrasive cleaning materials such as scourers. Should your product have an aerator at the water outlet, it should be checked and cleaned regularly.
