

Cobra Stella Original Pillar Tap

Range: Stella Original

Description: Cobra Stella Original Chrome plated pillar tap including hot & cold indices. The original rose-shaped design. 1/2" BSP male connection ends. Made with de-zincification resistant brass for increased durability. With Cobra EasySwitch technology enabling your handle to be replaced by one of a different Cobra Original design. Cobra Genuine spare parts available. Cobra TeamAssist service team on call. Includes a 20 year LIXIL Africa warranty. Care & Maintenance - Ensure your product does not come into contact with any lubricants during installation. Chrome plated, matte black and any colour finishes should be wiped with warm soapy water and a soft cloth or sponge. Rinse, then dry and buff with a dry soft cloth. Under no circumstances must any detergents containing hydrochloric acids or abrasives including cream cleansers be used. Do not use abrasive cleaning materials such as scourers. Should your product have an aerator at the water outlet, it should be checked and cleaned regularly.
