Grohe Cubeo Single-Lever Basin Mixer 1/2"S-Size

Range: Cubeo

Description: Offering supreme comfort and convenience, the GROHE Cubeo single-

lever basin mixer combines a stylish soft square design with an elegant yet

tactile metal handle. Inside, the durable GROHE SilkMove ceramic

cartridge ensures smooth, precise volume and temperature control, with an integrated temperature limiter to save energy. For even more sustainability, GROHE Water Saving technology limits consumption to an efficient 5l/min (at 3 bar), while still giving a powerful jet of water. Thanks to the hardwearing and easy to clean GROHE Long-Life finish, this bathroom mixer in dazzling chrome will stay looking pristine for years to come. By the way: our Cubeo collection can perfectly combined with both round and square

taps, showers, accessories and ceramics, to create a harmonious overall

design.
