

Grohe Cubeo Single-Lever Mixer With 2-Way Diverter

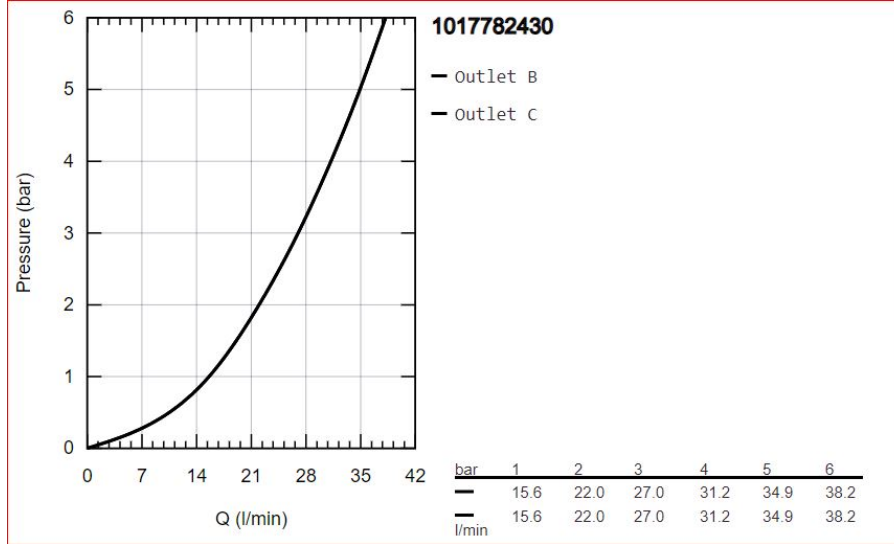

Range:	Cubeo
Description:	AVAILABLE JUNE 25 Upgrade to a modern bath mixer that combines soft square style with accurate control. This GROHE Cubeo single-lever trim set in a striking matt black finish offers a concealed design, creating a slim, space-saving solution in your shower cubicle. Operation is effortless and easy: the lever design invites interaction with its elegant yet tactile metal handle. Inside, the durable GROHE SilkMove ceramic cartridge ensures smooth, precise volume and temperature control. A handy 2-way diverter makes it swift to switch between two outlets (head and hand shower or bath inlet and hand shower). This trim is designed to be installed with the GROHE Rapido SmartBox (35600/35604), sold separately. And don't worry: This combined solution for concealed installation is 100% safe against leakage. By the way: our Cubeo collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design. By the way: our Cubeo collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
