

# Grohe Cubeo Single-Lever Bath/Shower Mixer 1/2"

**Range:** Cubeo

**Description:** With its unique soft square silhouette the GROHE Cubeo bath mixer with shower set adds sophisticated style to your bathroom – and functionality as well! Operation is effortless and easy: the lever design invites interaction with its elegant yet tactile metal handle. Inside, the durable GROHE SilkMove ceramic cartridge ensures smooth, precise volume and temperature control. A handy automatic diverter on the top of the spout makes it swift to switch between bath and shower outlet. The 110x110mm hand shower offers two great spray options to suit your mood: the Jet spray is focused for rinsing your hair, while the Rain spray is soft and soothing. And selecting the spray pattern is super easy with the GROHE SmartSwitch dial button. GROHE DreamSpray ensures an even flow from every SpeedClean anti-lime nozzle, which can all be cleaned with a simple brush of your finger. Great for sustainability: GROHE Water Saving technology limits consumption to an efficient 7.4 l/min (at 3 bar), without compromising on performance. The set includes a non-adjustable shower holder and a 1500mm hose. The long-lasting and easy to clean GROHE Long-Life finish keeps the dazzling chrome surface looking pristine for a lifetime. By the way: our Cubeo collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.

**Product Code:** 1018140000

**ERP Code:** 1018140000
