

Grohe Grohe Angle Valve 1/2X3/8

Range:	Grohe
Description:	Turn on the style! This GROHE angle valve creates seamless bathroom magic when used with our comprehensive bathroom collection in striking matt black. It has several features that make installation easier: a length compensation, a long connecting shaft and a pre-roughened connection thread for proper sealing. It also comes with a water protected spindle shutoff (brass) with grease chamber and double o-ring sealing and a metal push-on escutcheon (Ø 55mm). Operation is also easy thanks to the ergonomic handles made of solid metal. And the GROHE Long-Life finish is durable and low-maintenance. The GROHE Angle Valve – helping to create bathroom harmony!
