

Grohe Eurosmart Basin Mixer 1/2"XLSize

Range: Eurosmart

Description: AVAILABLE JUNE 25 Complete a redesign or refresh of your bathroom with an XL-size basin mixer that makes a statement, both in aesthetics and in spacious practicality! Refined in form, function and finish for the demands of modern bathrooms, this matt black GROHE Eurosmart single-lever mixer is pure joy to operate and to look at, becoming a focal point that boasts its sleek design. The tap perfectly complements free-standing vessel basins and features a smooth body. The spout contains a GROHE AquaGuide adjustable spout end, meaning you can angle the flow perfectly to your basin shape and depth. Inside the GROHE SilkMove ceramic cartridge offers durable, precise volume and temperature control via the solid metal lever. The integrated temperature limiter saves energy, while GROHE Water Saving technology reduces water consumption to max. 5 l/min (at 3 bar) without compromising on performance. Designed for single hole installation and equipped with the FastFixation system and flexible connection hoses the tap can be fitted in no time. And the GROHE Long-Life finish is hard-wearing and easy to clean, so the stunning matt black surface will last for a lifetime.
