

Grohe Tempesta 110 Hand Shower 2 Sprays

Range: Tempesta 110

Description: AVAILABLE JUNE 25 The matt black GROHE Tempesta 110 is simplicity itself from fitting to daily use – but with style, functionality and performance that exceed expectations. Its 110mm diameter head features 2 sprays tailored to your mood: choose from soothing Rain or the focused and powerful Jet spray via the easy-to-use SmartSwitch dial on the back. GROHE DreamSpray technology ensures that the flow of water from every nozzle is equal, for a perfectly balanced spray pattern. The ShockProof silicone ring is there to prevent the hand shower itself, or the shower tray or bathtub, being damaged if it's dropped. Its crisp good looks and premium performance will last for years – the shower features GROHE SpeedClean silicone nozzles that can be cleared of limescale and dirt with a brush of your finger, while the GROHE Long-Life finish is hard-wearing and easy to clean for a flawless surface that will last a lifetime. It's efficient too, with the GROHE Water Saving flow limiter that significantly reduces water consumption without compromising on performance. The Universal Mounting System fits all standard shower hoses, so you only have to screw the shower hose on. A minimum of 0.2 bar of pressure is recommended.
