

# Grohe Tempesta 110 Wall Holder Set 2 Sprays (Rain, Jet)

**Range:** Tempesta 110

**Description:** With so many features packed into its eye-catching design, the matt black GROHE Tempesta 110 shower set is perfect for modern bathrooms. The 110mm diameter hand shower features 2 sprays to suit different moments: soothing Rain eases stress, while the focused Jet is ideal for rinsing hair after shampooing. Both are easy to access using the innovative GROHE SmartSwitch diverter on the back of the shower head. The GROHE DreamSpray technology matches the flow of water from each nozzle, for a uniform spray pattern. GROHE Water Saving technology significantly reduces water usage without compromising on performance. A minimum of 0.2 bar of pressure is recommended. GROHE SpeedClean enables you to brush the nozzles free of limescale with just a finger. The ShockProof silicone ring protects the hand shower itself, or the shower tray or bathtub, from damage if it's accidentally dropped. The package includes the Relaxaflex 1500mm shower hose and the Tempesta shower outlet with integrated wall shower holder. The sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it comes into contact with the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks. And the GROHE Long-Life finish of the shower set is hard-wearing and easy to clean for a flawless surface that will last a lifetime.
