

Grohe Tempesta Cube 110 Wall Holder Set 3 Sprays (Rain, Jet, Massage)

Range:	Tempesta Cube 110
Description:	Advanced design has been harnessed to improve everyday life in the shape of the GROHE Tempesta Cube 110 shower set. The 110x110mm hand shower features 3 sprays to suit different moments: soothing Rain eases stress, Massage invigorates, while the focused Jet is ideal for rinsing hair after shampooing. All are easy to access using the innovative GROHE SmartSwitch diverter on the back of the shower head. The GROHE DreamSpray technology matches the flow of water from each nozzle, for a uniform spray pattern. GROHE Water Saving technology significantly reduces water usage without compromising on performance. A minimum of 1.0 bar of pressure is recommended. GROHE SpeedClean enables you to brush the nozzles free of limescale with just a finger. The ShockProof silicone ring protects the hand shower itself, or the shower tray or bathtub, from damage if it's accidentally dropped. The package includes the Relaxaflex 1500mm shower hose and the Tempesta non-adjustable wall holder. The sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it comes into contact with the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks. With the hard-wearing and easy-care GROHE Long-Life finish, this set will stay looking pristine for years to come.
