

# Grohe Vitalioflex Shower Hose

<b>Range:</b>	Vitalioflex
<b>Description:</b>	AVAILABLE JUNE 25 Easy to clean and a great addition to a chic bathroom scheme, the GROHE VitalioFlex Trend shower hose is designed to be trouble-free from the moment it arrives. And with a length of 1500mm it's ideal for a shower system or shower rail set. This sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it comes into contact with the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks. No tools needed – installation is surprisingly easy! Simply screw the shower hose on: The universal connections are compatible with all standard hand showers and mixers. And the GROHE ProGrip nuts have a durable GROHE Long-Life Shine chrome finish and a knurled surface for optimal grip and easy tightening. If you still need some guidance, watch our QuickVideo or have a look at the QuickGuide. With a durable design, this hose beautifully complements a wide range of GROHE shower collections to create a harmonious bathroom look. GROHE VitalioFlex Trend hoses – delivering great performance and value!
