| <b>Description:</b>      | Stylish, easy to clean and built to last, the GROHE VitalioFlex Trend shower hose in matt black is designed to be trouble-free from the moment it arrives. And with a length of 1500mm it's ideal for a shower system or shower rail set. This sturdy hose revels in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it bumps into the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks. Installation is super easy – no tools are needed. Simply screw the shower hose on as the universal connections are compatible with all standard hand showers and mixers. And the GROHE ProGrip nuts have a durable GROHE Long-Life finish and a ridged surface for optimal grip and easy tightening. If you still need some guidance, watch our QuickVideo or have a look at the QuickGuide. With a durable design, this hose beautifully complements a wide range of GROHE shower matt black collections to create a harmonious bathroom look. GROHE VitalioFlex Trend hoses – delivering great performance and value! |
