

Grohe Eurosmart 2-Hole Basin MixerM-Size

Range:	Eurosmart
Description:	AVAILABLE JUNE 25 Looking for superior style and sustainability? Choose a Eurosmart 2-hole single-leve mixer for your hard-working bathroom. Refined in form, function and finish for the demands of modern bathrooms, the matt black GROHE Eurosmart collection is pure joy to operate and to look at, becoming a focal point that boasts its sleek design. This basin tap is designed for wall-mounted installation, with a projection of 211mm. Operation is via the tactile solid metal lever. The GROHE AquaGuide adjustable spout end means you can angle the flow perfectly to your basin shape and depth, preventing splashing. GROHE water Saving technology reduces water consumption to 5.7 l/min without compromising on performance. And the GROHE Long-Life finish is hard-wearing and easy to clean, so the stunning matt black surface will last for a lifetime. Please note: the concealed body (23571000) with GROHE SilkMove cartridge for smooth volume and temperature control has to be ordered separately.
