

Grohe Eurosmart Single-Lever Sink Mixer 1/2"

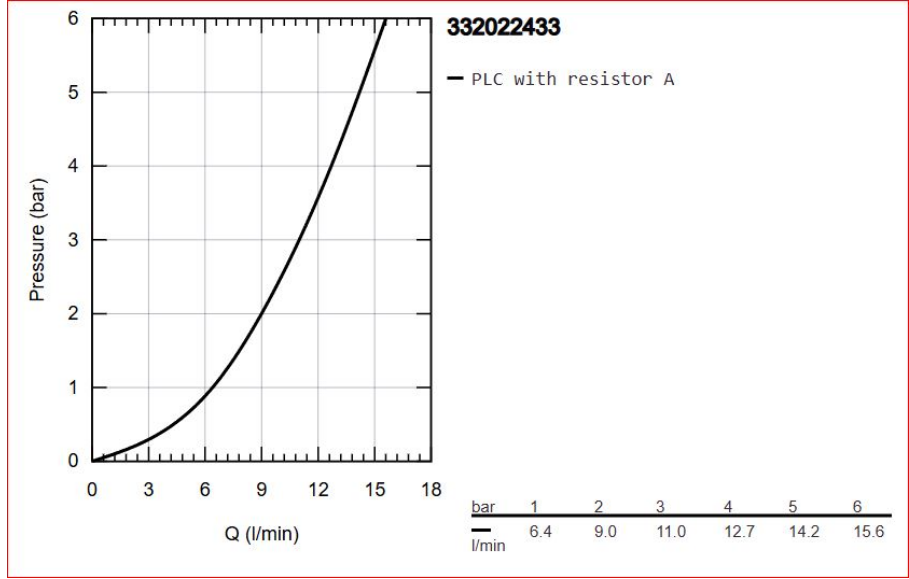

Range:	Eurosmart
Description:	Bring your kitchen up to date with the stunning matt black GROHE Eurosmart single-lever sink mixer with high C-spout. The design classic has been refreshed for the demands of modern kitchens. The spout swivels smoothly through 150°, offering increased flexibility at the sink without hitting nearby walls. Inside, the GROHE SilkMove cartridge technology ensures life-long smooth and accurate control, while isolated inner waterways means your water is lead and nickel-free within the tap. And the GROHE Long-Life finish is durable and easy to clean, so the striking matt black surface will last a lifetime. This kitchen mixer is designed for single-hole installation. The included metal fixation set with stabilisation plate fits all sinks and all types of installation, to guarantee a proper mounting in every setting.
