

Grohe Rainshower Hand shower 3 sprays

Range: Rainshower

Description: Give yourself more room to move under the shower with the clean, slim profile of the GROHE Tempesta 250 head shower. Not only does it offer generous dimensions but it also has features to enhance your comfort. This round-shaped head shower has a wide 250mm face, providing lots of space to spread out. It comes with the gentle, refreshing Rain Spray pattern, enhanced by GROHE DreamSpray, which keeps the flow from every nozzle equal and consistent, for a more enjoyable experience. GROHE EcoJoy limits the water flow to 9.5 l/min but still delivers pure and satisfying indulgence. SpeedClean nozzles on the shower head can be brushed clean of limescale with a finger for easy maintenance. Inside an insulated Inner WaterGuide keeps the surface from becoming too hot, protecting the dazzling but durable GROHE StarLight chrome finish. It is simple to install on any standard shower arm thanks to its universal connection, making it an ideal and achievable bathroom upgrade.
