

# Grohe SmartActive Hand shower 3 sprays

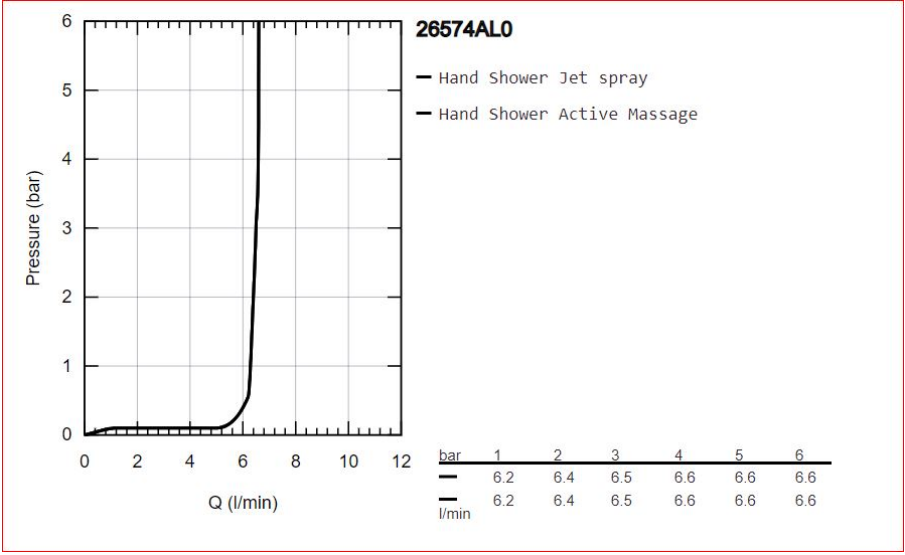

<b>Range:</b>	SmartActive
<b>Description:</b>	From its large spray area to its innovative features, the GROHE Tempesta 250 head shower is all about user comfort and sophisticated modern style. This round-shaped head shower has a wide 250mm face and a 380mm shower arm for wall-mounting, providing lots of space to spread out. It comes with the gentle, refreshing Rain Spray pattern, enhanced by GROHE DreamSpray, which keeps the flow from every nozzle equal and consistent, for a more enjoyable experience. GROHE EcoJoy limits the water flow to 9.5 l/min but still delivers pure and satisfying indulgence. SpeedClean nozzles on the shower head can be brushed clean of limescale with a finger for easy maintenance. Inside an insulated Inner WaterGuide keeps the surface from becoming too hot, protecting the dazzling but durable GROHE StarLight chrome finish.
