<b>Description:</b>	The GROHE Tempesta 250 head shower makes it simple to update your showering experience. Contained within its sleek, slim profile are a host of features designed to maximize comfort in busy modern bathrooms. This round-shaped head shower has a wide 250mm face, providing lots of space to spread out. It comes with the gentle, refreshing Rain Spray pattern, enhanced by GROHE DreamSpray which keeps the flow from every nozzle equal and consistent, for a more enjoyable experience. A water-saving feature will appeal to those concerned about sustainability – the GROHE EcoJoy 9.5 l/min flow limiter saves water and money, while still providing a powerful, reliable spray. SpeedClean nozzles on the shower head can be brushed clean of limescale with a finger for easy maintenance. Inside an insulated Inner WaterGuide keeps the surface from becoming too hot, protecting the dazzling but durable GROHE StarLight chrome finish. It is simple to install on any standard shower arm thanks to its universal connection, making it an ideal and achievable bathroom upgrade.
