<b>Description:</b>	Make the daily shower a time to look forward to with the innovative features and comfortable operation of the GROHE Tempesta 250 head shower. This round-shaped head shower has a wide 250mm face, providing lots of space to spread out. It comes with the gentle, refreshing Rain Spray pattern, enhanced by GROHE DreamSpray which keeps the flow from every nozzle equal and consistent, for a more enjoyable experience. A water-saving feature will appeal to those concerned about sustainability – the GROHE EcoJoy 1.75 gpm flow limiter saves water and money, while still providing a powerful, reliable spray. SpeedClean nozzles on the shower head can be brushed clean of limescale with a finger for easy maintenance.
