

Grohe Even Flush plate

Range:	Even
Description:	Designed in every detail to look good and perform brilliantly, the GROHE Even plate in stylish phantom black is perfect for modern bathrooms in its ability to save resources and enhance any design vision. It comes in a regular size (156 x 197 x 10mm) and a GROHE Long-Life finish that is durable and easy to clean. And it's eco-friendly, too. The GROHE Water Saving technology provides a perfect flow but also reduces your water consumption by up to 50%. The dual flush system allows you to select a flush volume of 3 or 5L (or 3 and 4.5L in some ceramic bodies) and it's possible to stop a full flush with the small button. Installation, which requires the standard revision shaft, is simple and tool-free. You can choose between vertical or horizontal fitting. Ideal for combination with our Solido installation elements with GD2 cistern
