

Grohe Bau Manual bidet seat

Range:	Bau
Description:	<p>It's never been easier to enjoy extra comfort and hygiene in the bathroom! Simply upgrade your U-shaped toilet with the brilliant Bau Ceramic Manual Bidet Seat. Sleek and stylish with a low profile, the Duroplast seat and lid are both soft-close and perfectly complement any cool and contemporary bathroom. Installation is easy, too, as it is fully manual so no electricity is needed. You can also add the Grohtherm Micro thermostat (34487000) if you want to enjoy warm water! For total comfort and effectiveness, the bidet seat comes with two sprays that both have adjustable strengths – the rear spray and the gentle lady shower with wider spray pattern. The spray arms are made from anti-bacterial material and they are very easy to keep clean and germ free as they can be rinsed by their own cleansing spray heads before and after use. Both sprays also retract for added hygiene. For a harmonious bathroom design, this bidet matches the GROHE Bau Ceramic WCs (39427000, 39430000 & 39431000). All you need is the Accessory Set with shower hose and T-piece (14074000) for easy connection to the water supply. It can also be used with the GROHE Rapid SLX installation system for wall-hung toilets. The Bau Ceramic Manual Bidet Seat – the simple and affordable bathroom upgrade for extra hygiene!</p>
